Excellent disc in d  
which symbolises renewa  
widespread geometric symbols in the wc  
The circle represents the eternal return  
eventual end. It is the reflection of  
philosophical standpoint, it depicts how  
the same.

Both sides of the disk are decorated with  
Small ancient imperfections are visible,  
**ORIGIN** In China the 'bi' disc is a sy  
forms from neolithic cultures stretching  
Southeastern Asia. This very hard  
with harmoniously placed motifs and  
only the donkey methods of friction, a  
which is by nature extremely hard, wa  
and its association with hardness, as we  
Cultures which followed valued jade f  
journey to the world of our ancestors, ev
